Management Minor

FALL 2011

A business management minor is available to all interested BYU students who are **not** Marriott School of Management (MSM) majors. A **Management Minor** provides additional skills and enrichment for a variety of majors. It is the student's responsibility to complete an official "**Minor Clearance Form--Management**" and have it signed by a counselor in the MSM Undergraduate Programs Office/Advisement Center (460 TNRB) in order to bind the college to the current minor requirements. Students **do not** have to have the minor courses completed before (1) completing a minor clearance form, (2) having it signed by a MSM counselor, and (3) returning it to their major college.

Management minor students complete the following courses:

Total Hours: 22 or 23 (depending on math taken)

Check with the MSM Advisement Office in 460 TNRB for use of transfer and substitute courses. Overall GPA for minor courses should be a 2.25 or above. "D" grades are accepted only as long as overall minor courses are a 2.25 or above.
