Year Admitted to MAcc Program _____ Anticipated Graduation Date _____

An **Accounting Information Systems (AIS) Minor** is available to graduate accounting students (Professional and Tax) admitted to the School of Accountancy (SOA).

To complete the minor, a student must meet the following requirements:

1. Be admitted to the MAcc program Fall 2012.
2. Submit this Accounting Information Systems Minor Declaration Form to 560 TNRB. When approved, the AIS Minor will be added to your Grad Plan.
3. Complete the following classes as outlined below:*

| | | |
|---------|---------------------------------|-----------------|
| ACC 555 | Data Communications & Security | Winter |
| ACC 556 | Database Analysis and Design | Winter |
| MBA 614 | Spreadsheet Automation/Modeling | Fall and Winter |

* Other 400+ level technology course may be substituted on a case-by-case basis to meet specific career plan objectives.

Note: A MAcc Professional Stem student who elects to take ACC 557 Management Consulting and Projects Fall Semester, in addition to the three classes listed above, will not be required to take one of the following two classes: ACC 522 (Advanced Tax) or MBA 621-629 (Finance Elective). However, this exception does not apply if the student does not complete the minor, even if the student has already completed ACC 557.

Declaration

I am a graduate student in the School of Accountancy and am planning to complete the Accounting Information Systems Minor.
