**During your 2 years:**

- **You must take 6 credit hours of non-major course work.****
- A combined total of 6 hours may be taken in **MBA 690 R - all sections - and MBA 693R, section 1.** However, only a **maximum of 3 credits** can be taken in **MBA 693R, section 1 - readings and conference with a faculty member.**
- You must seek prior approval for any out of program (non MBA) or 300 or 400 level courses you want counted towards your MBA. There is a 9 credit hour limit of those that count towards your MBA. On-line & independent study courses can not count towards your MBA.
- 18.0 credit hours is the registration limit per semester - this includes everything on your registration.

* Students may delay MBA 621, 622 or MBA 524 & 527 in order to take MBA 528 (for students with non-business backgrounds), MBA 664 (for students with entrepreneurial interests), or MBA 690R (for students interested in a finance-related field study)

**MBA 602 (Taxation for Decision Makers), MBA 614 (Spreadsheet Automation), MBA 615 (Spreadsheets for Business Analysis), MBA 553 (Pricing and Positioning), and MBA 661 (Global Business Negotiations), are good non-Major electives for finance majors

***Silver Fund (MBA 629A & B) and Advanced Venture Capital and Private Equity (MBA 665A & B) both require an application and faculty approval

*DISCLAIMER: The classes in this chart are subject to change! Always check with your Major advisor.*

CREDIT SUMMARY: 23.5 credits of MBA core + 24 Finance Major + 6 non-finance Major credit hours + at least 10.5 credit hours of electives = 64 credit hours.
