**NOTE: THE BS DEGREE MUST BE AWARDED AT THE SAME TIME AS THE MAcc DEGREE.**

**IMPORTANT:**

- **All classes that are underlined and in bold must be taken during the semester indicated.** There is some flexibility with the other classes. **Elective** requirements may be filled with any MSM course from the SOA Elective Course List.

## EMPHASES FOR TAX ELECTIVES

Tax Stem students are required to take three approved electives (a total of 9 credits). There are seven emphases to choose from with nine credits required for each emphasis. The emphases are: Assurance and Advisory, Banking and Asset Management, Consulting and Advisory Services, Data Analytics, Healthcare Industry, International Accounting, and Management and Consulting. You are encouraged to complete one emphasis.

**If you have questions about the significance of any of emphasis, please contact one of the professors associated with the emphasis. The semester a course is offered is subject to change.**

### Assurance and Advisory (Greg Burton, Doug Prawitt, Tim Seidel, Mark Zimbelman)

*The Assurance and Advisory Emphasis focuses on developing skills and preparing students for a career in providing professional services designed to enhance or improve the quality of information available for various stakeholders to use in making investment and other decisions. Such professional services include financial statement audits as well as a variety of attestation, assurance, and general advisory services.*

1. ACC 550 Fraud Prevention and Detection (W)

Complete 2 of the following classes:

- ACC 542 Fair Value and Other Measurements (W)
- ACC 555 Applied Accounting Analytics & Security (F)
- ACC 556 Database Analysis and Design (F)
- IS 505 Programming for Data Science (FW)
- IS 515 Spreadsheets for Business Analysis (F,W)
- IS 520 Spreadsheet Automation (F,W)
- MBA 621 Advanced Corporate Finance (F,W)
- MBA 622 Investments (F,W)
- MBA 623 Corporate Governance (W)
- MBA 624 Capital and Security Markets (F,W)
- MBA 626 Derivatives and Fixed Income (F)
- MBA 627 International Finance (F)

### Banking and Asset Management (Mike Drake, Jake Thornock)

*The Banking and Asset Management Emphasis helps prepare students for a career in the financial service industry. The courses focus on valuation, investment management, and securities markets.*

Complete 3 of the following classes:

- ACC 542 Fair Value and Other Measurements (W)
- MBA 620 Personal Financial Planning (F)
- MBA 621 Advanced Corporate Finance (F,W)
- MBA 622 Investments (F,W)
- MBA 624 Capital and Security Markets (F,W)

### **Consulting and Advisory Services (Mike Drake, Scott Hobson, Jake Thornock)**

*The Consulting and Advisory Emphasis helps prepare students for a career in consulting fields. This emphasis allows class choices that provide skills in various areas of specialized interest such as finance, human resources, and real estate.*

1. ACC 542 Fair Value and Other Measurements (W)
2. ACC 557 Management Consulting and Projects (F)

Complete 1 of the following classes:

- IS 515 Spreadsheets for Business Analysis (F,W)
- MBA 546 Human Resource Management Skills (W)
- MBA 620 Personal Financial Planning (F)
- MBA 621 Advanced Corporate Finance (F,W)
- MBA 622 Investments (F,W)
- MBA 623 Corporate Governance (W)
- MBA 624 Capital and Security Markets (F,W)
- MBA 626 Derivatives and Fixed Income (F)
- MBA 627 International Finance (F)
- MBA 661 Global Business Negotiations (F)
- MBA 686 Real Estate Analysis: Finance and Investment (F,W)

### **Data Analytics (Bill Heninger, Scott Summers, David Wood)**

*The Data Analytics Emphasis focuses on building practical skills that are in high demand related to technology. Classes will focus on developing skills related to databases, data visualization, and programming languages. If you complete the Data Analytics Emphasis, you will have completed the requirements for the [Information Systems Minor](#).*

1. ACC 555 Applied Accounting Analytics & Security (F)
2. ACC 556 Database Analysis and Design (F)

Complete 1 of the following classes:

- IS 505 Programming for Data Science (FW)
- IS 515 Spreadsheets for Business Analysis (F,W)
- IS 520/MBA 614 Spreadsheet Automation (F,W)

### **Healthcare Industry (Bill Tayler)**

*The Healthcare Industry Emphasis will provide students with a broad overview of healthcare industry and is intended both for those interested in simply learning more about healthcare, as well as for those who wish to acquire the foundational knowledge necessary for a successful career in healthcare. Targeted careers in healthcare accounting include public accounting work related to healthcare (advisory/audit/tax), healthcare consulting, or other healthcare related work (e.g., cost accounting, internal audit, corporate finance, operations finance, etc., for government agencies, hospitals, insurance companies, medical technology firms, or pharmaceutical companies). If you complete the Healthcare Industry Emphasis, you will have completed the requirements for the [Healthcare Industry Scholarship](#) ([marriottschool.byu.edu/his/](http://marriottschool.byu.edu/his/)).*

1. ACC 588 Healthcare Industry Dynamics (W)
2. MPA 591R Healthcare Executive Lectures (F)
3. Complete 1 of the following classes:
  - HLTH 316 Health Systems Policy (F)
  - HLTH 423 Population Health (F)
  - HLTH 607 Public Health Administration (F)
  - LAW 707 Health Law and Policy (W)
  - IS 590R Machine Learning and Information Visualization (the course-required project must be healthcare-related) (F)
  - MBA 537 Change Management (the course-required project must be healthcare-related) (W)
  - MBA 619 Customer Relations Management (the course-required project must be healthcare-related) (W)
  - MBA 634 Quality Management (the course-required project must be healthcare-related) (W)

- MPA 631 Program Evaluation (the course-required project must be healthcare-related) (W)
- MPA 638 Program Design (the course-required project must be healthcare-related) (W)
- MPA 690R Public Management Field Study - Healthcare Finance (W)

**International Accounting** (Cassy Budd, Greg Burton, Scott Hobson, Scott Summers)

*The International Accounting Emphasis requires that you participate in an approved study abroad program or have an approved significant non-mission related international experience. The International Accounting Emphasis focuses on thinking about accounting and business with a global mindset and providing a foundation for those who wish to work abroad at some point in their careers.*

1. ACC 545 International Accounting (Sp)
2. MSB 430 Introduction to International Business (F,W,Sp,Su)

Complete 1 of the following classes:

- ACC 591R Readings and Conferences - InternationalHub Research (F,W,Sp,Su)
- MBA 627 International Finance (F)
- MBA 661 Global Business Negotiations (F)
- MSB 596R Business Language (F,W)

**Management and Consulting** (Steve Smith, Monte Swain, Bill Tayler)

*The Management and Consulting Emphasis prepares students for a career involving operations finance, corporate finance, cost/management accounting, financial planning and analysis, or related work/consulting. The emphasis is composed of four main components, with course options within each component.*

Complete 3 of the following 4 components, and complete at least 1 class in each of those 3 components:

1. **Consulting:** ACC 557 Management Consulting and Projects (F) *or* MBA 690R Management Field Study (F,W)
2. **Spreadsheets:** IS 515 Spreadsheets for Business Analysis (F,W) *or* IS 520 Spreadsheet Automation (F,W)
