THERE'S A MAP FOR THAT.

INTERNATIONAL RELATIONS

Ever wonder how you can get more involved with your major and change the world at the same time? Use the guide on the back of this map to learn how to connect with and engage in social innovation in your own major.

FIELD OVERVIEW
International Relations majors develop valuable skill sets which are necessary for analyzing complex global issues which in turn enables them to create viable solutions to the most pressing problems.

MODEL IN THE FIELD
Aaron Sherinian began his career as a Foreign Service Officer for the U.S. Department of State. His diplomatic experience includes a tour as Deputy Political and Economic Chief at the U.S. Embassy in Yerevan, Armenia, where he managed programmatic coordination and outreach for the U.S. government's annual assistance budget of $90 million. Now Aaron serves as the Managing Director of Public Affairs for the UN Foundation's Millennium Challenge Corporation. In this capacity, he oversees the agency's strategic communications portfolio, media relationships, and public relations agenda.
