THERE'S A MAP FOR THAT.

MPA

Ever wonder how you can get more involved with your major and change the world at the same time? Use the guide on the back of this map to learn how to connect with and engage in social innovation in your own major.

FIELD OVERVIEW
An MPA offers analytical, research, and management skills enabling graduates to identify the underlying causes of problems and implement the most effective and innovative solutions in sustainable and equitable manners.

MODEL IN THE FIELD
With her MPA in international development and public policy studies, Ramdas has been a member of multiple accredited institutions including the Global Development Program Advisory Panel and the Council of Advisors on Gender Equity. She is also the former president and CEO of the Global Fund for Women. She currently is the Executive Director of the Program on Social Entrepreneurship at Stanford University.
