

SUGGESTED PACKING LIST

In previous years we had a hard time fitting everyone's big luggage into the tiny space behind the van seats, so please pack light.

Clothing: All Dress Is Casual

Casual clothes (jeans, t-shirts, etc., for all meetings and dinners)

Swimwear (for rafting on Friday and fun at the hotel pool)

Shorts for hiking

Hat, visor, bandana, sunglasses (note: things tend to get lost in the water while rafting. If you wear glasses or choose to wear sunglasses, consider using croakies --- you know, those little thingies that keep your glasses on)

Sturdy shoes or hiking sandals that can get wet

Athletic wear (if you've signed up for an activity that requires it on Friday morning)

Light jacket

Additional Items:

SUNSCREEN (don't forget to bring some with you on the raft)

Chap stick

Sandals or water shoes

Extra money for any souvenirs you'd like and if you want to buy lunch on the way home Saturday (all of the other food and activities are covered)

Toiletries (hotel should have basics)

Golf equipment (if you're playing golf)

Notebook and pen to take notes during presentations

Sunglasses

Hair ties (for those with long hair)

Ear plugs, headache medicine (just in case)

Bug spray (for s'mores night)
