**During your 2 years:**  
- You must take 6 credit hours of non-major course work.**  
- A combined total of 6 hours may be taken in MBA 690 R - all sections - and MBA 693R, section 1. However, only a maximum of 3 credits can be taken in MBA 693R, section 1 - readings and conference with a faculty member.  
- You must seek prior approval for any out of program (non MBA) or 300 or 400 level courses you want counted towards your MBA. There is a 9 credit hour limit of those that count towards your MBA. On-line & independent study courses can not count towards your MBA.  
- 18.0 credit hours is the registration limit per semester - this includes everything on your registration.

* Students may delay MBA 621, 622 or MBA 524 & 527 to take MBA 528 (for students with non-business backgrounds), MBA 664 (for students with entrepreneurial interests), or MBA 690R (for students interested in a finance-related field study)  
** MBA 614 (Spreadsheet Automation), MBA 615 (Spreadsheets for Business Analysis), and MBA 553 (Pricing and Positioning) are good non-Major electives for finance majors

**DISCLAIMER:** The classes in this chart are subject to change! Always check with your Major advisor.

**CREDIT SUMMARY:** 24.5 credits of MBA core + 24 finance major + 6 non-finance major credit hours + 9.5 electives = 64 credit hours.
